Identification Number: C00003111

Reference: Amended July Quarterly Report (4/1/06 – 6/30/06), received 7/18/06

Dear Mr. Roy:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Commission Regulations require that a committee disclose the identification of all individuals who contribute in excess of \$200 in a calendar year. (11 CFR §104.3(a)(4)(i)) Identification for an individual is defined as the full name, mailing address, occupation and name of employer. (11 CFR §100.12) Your report discloses contributions from individuals for which the identification is not complete.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR §104.7(b)(1))

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the

contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2)) The request must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you shall either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.7(b)(4))

Please provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

-Your July Quarterly Report does not disclose any payments for salary or wages on Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §100.24 defines as Federal Election Activity, services provided by an employee of a State, district or local party committee who spends more than 25 percent of their time during that month on activities in connection with a Federal election. You are advised that payments for salaries and wages for employees who spend more than 25 percent of their compensated time in a given month on Federal Election Activity or activities in connection with a Federal election must be made with Federal funds only. Please provide clarification regarding the lack of payments for salary and wages disclosed by your committee.

-Schedule B supporting Line 21(b) of your report discloses payments totaling \$13,625.81 for "Audio Visual for Presentations at S," "Direct Mail" and "Mailer Printing." Expenditures and disbursements for public communications (as defined under 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather than on Schedule B for Line 30(b). Please clarify if this activity meets the definition of Federal Election Activity or if it contains express advocacy and amend your report to properly disclose this activity, if necessary.

-For your information, all contributions received that aggregate \$200 or less per individual for the calendar year should be reported on Line 11(a)(ii). Contributions received aggregating over \$200 per individual for the calendar year should be reported on Line 11(a)(i) and itemized on Schedule A.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Federal operating expenses should be properly disclosed on a separate Schedule B, supporting Line 21(b) of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1301.

Sincerely,
